VOLUME 10, NUMBER 4

ENTERED AS SECOND CLASS MATTER  
AT ARLINGTON HEIGHTS, ILLINOIS

ARLINGTON HEIGHTS, ILL. FRIDAY, DEC. 20, 1935

H. C. PADDOCK & SONS, Publishers

PRICE \$2.00 PER YEAR

## Commissioners Windicated

### ARL. MAY CARRY WITHDRAWAL TO HIGH COURT

#### Will Question Validity of New State Law; Board Authorizes Defense.

The attempted withdrawal from the village of Arlington Heights of 66 acres of the Geo. W. Green property, partly occupied by the Fessler dairy will be opposed and carried to the Supreme court, if such action is necessary. The validity of the new state law that provides means by which unincorporated lands may be withdrawn from municipalities has been questioned in a brief that Attorney Hugo J. Thal has filed in the county court.

Attorney Thal went over the matter with the village board at its meeting Monday night and in view of a possible similar action by owners of other unincorporated lands, the board decided that the petition of the owner of the Green property should be opposed.

It was explained to the board that if there were no special assessment improvements within the Green property, there would be little defense for the village. However, in this case, the property was assessed for the big sewer, which passed through said property and because the amount assessed against such property for that improvement has been paid, the village could not prevent future residents on that property from connecting with said sewer whether or not such territory was within or without said village.

The original assessment provides only for construction and not for maintenance, which cost is paid from general taxes collected throughout the village. If the Green property is allowed to withdraw, the village in future years would be compelled to handle the sewage of the property which paid nothing for operation of system. This possibility, Mr. Thal thinks, will invalidate the law.

The area which the owner is seeking to have withdrawn does not include the Fessler residence, or milk depot and which uses village water, but does include some of the barns and vacant land to the west.

Attorney Thal was authorized to call upon the village engineer and other village officials for records and affidavits and aid in the preparation of defense.

### Arlington Lions To Sing Carols

The Arlington Heights Lions club will sing carols in the Lions tree in the park, opposite Reese's Hardware store Saturday night (Dec. 21) at 7:30 p. m. Every organization in Arlington Heights will be asked to take part, and every one is urged to be present. A number of noted singers of the community have already donated their services to be with us. Mr. Roscoe Reed, in charge of this singing, would like to see the largest group of singers that the community has ever had at this time. Saturday night, Mr. Sidney Allen will lead this group of songs.

### All Schools Close Friday for Two Weeks

The Arlington Heights elementary and high schools close Friday for two weeks vacation, which include Christmas and New Years. An eighty minute Christmas program will be given in the high school assembly which will consist of Christmas selections in readings and songs by the various glee clubs. The Pep club will pass on to the members of the teams customary gifts and Coach Grose will award the letters won during the football season.

Special Christmas programs will be given in the various rooms of the public school. The upper rooms had a part in a program before the R. T. A. Tuesday evening. The Christmas program will be given Thursday afternoon in St. James school, which includes the appearance of Santa Claus. The windows of the school rooms which face State road, have been very artistically decorated and tell the story of Christmas. The pyramids, the home of the wise men are first shown, then the wise men upon their journey towards Bethlehem; then the shepherds and finally the Christ child are within the school room. The decorations in all of the rooms of this school are worthy of a visit.

### It Was Only a Chimney Fire

The Arlington fire department was called to the home of Otto Duehall at 1109 North Mitchell street, Saturday morning. It was only a chimney fire with little damage done.

### Reports Were Short; Business Was Shorter; Result, A Short Meeting

The Arlington Heights village board met Monday evening in regular session with all members present except trustee Framburg. The reports of the various departments were short and quickly accepted. The water department has been making repairs; the village truck has been busy on three WPA projects; the sewage treatment plant has handled an average of 994,000 gallons a day, requiring the use of 326 kilowatt hours; report of tests, which is made regularly by attendant George Harris and which is "Greek" to the board members, was reported by the state water board as being satisfactory.

Whether or not the village buys a new snow plow will depend upon further investigation by the street committee which reported specifications of two makes, but to whose lap the matter was again referred. Request for reinstallation of a gas pump adjoining the former Engeling garage, was ordered granted upon posting of proper bond.

Bills and payroll totaled \$2,208.56; the village share of November gas tax was \$732.15. After the receipt of December remittance the fund will be sufficient to pay all costs connected with the recent road improvements.

Mr. Greenberg asked that some means be found to raise curb on Northwest highway adjoining the Kuhlman building so that cars would not go on side walk and endanger building, referred to street committee.

The clerk read a letter advising board that the sales tax paid on water collections was being held subject to the result of the present action that is being taken by municipalities.

Police department reported that \$400 in business licenses was due from about 25 firms for the present year and about \$100 from 1934.

### Lights of Approaching Car Blamed for Injury of Mrs. Weidner, Wheeling

Sheriff's Highway Police investigating the accident occurring December 13, at 11:45 p. m., in which Mrs. Rose Weidner of Wheeling, Ill., sustained severe injuries when her car left the road and crashed into the fence of August Grandt of Milwaukee avenue at Dan No. 1, found that the bright lights of the car being driven in the opposite direction was the cause. Consideration for the other driver should become a part of an automobile driver's conduct.

### Des Plaines Man Drives Car Into Freight Train And Escapes with Bruises

A car driven north on River road December 11 at 10:05 p. m., by Chas. Shaffer of Des Plaines, Ill., ran into a northbound freight train at the River road crossing of the Belt Line railroad. Sheriff's Highway Police who investigated were very much surprised when they learned that Shaffer merely sustained several minor scratches. The car, however, was a total wreck. Shaffer told the officers that he failed to observe the warning signal lights.

### Arlington Firemen To Receive 1936 Vehicle Licenses Without Cost

Members of the Arlington Heights fire department will be among the first to have new 1936 vehicle tags placed upon the windshields of their cars. All because the tags will not cost them anything. The village board at its meeting Monday night decided to show its appreciation of the services of these men by giving them their vehicle tags. Of course, a fireman is not compelled to accept the gift unless he desires.

### MAYOR REFUSES TO OBEY ORDER OF LIQUOR BD.

#### Attorney Nichols Makes Plea for Amiable Settlement.

Following a thorough discussion at an executive session of the board that followed the regular meeting, a decision was made that the rights of the liquor commission be referred to the Illinois Municipal League.

Mayor J. D. Flentie, of Arlington Heights, in spite of three orders of the state liquor board, still refuses to issue a liquor license to Ben and Clarence Rosenquist, proprietors of Rose-Lö Inn, corner of Northwest highway and Euclid avenue. Mr. Flentie's defense has been that village ordinance provides for the issuance of only ten liquor licenses and that it would be against public sentiment and against the municipal code for him to submit to the order of the liquor commission.

This matter which primarily concerns the petitioners and the Mayor, who by virtue of his office, is also municipal liquor commissioner, was brought directly to the village board Monday evening by Attorney Nichols, representing the Rosenquists who formally tendered the specified fee for the remainder of the license period, and requested that the license be granted. Attorney Nichols talked at some length at the end of which the board voted to consider the claims of Messrs. Rosenquist in an executive session to be held later.

Mr. Nichols outlined previous actions of his clients in seeking a license after Mayor Flentie had refused to grant same. "The first hearing," stated Attorney Nichols, "was held before the state liquor board in July, this board ordering the license granted. Within 20 days, Mayor Flentie filed a petition for a rehearing, which was held August 28, which board again ordered the license be granted. Mayor Flentie petitioned for another rehearing, which was held in October with the same result. An appeal was taken before the circuit court with the result that last week said court upheld the order of the state liquor commission, and which order Mayor Flentie has refused to recognize."

Mr. Nichols stated that the matter was now being brought before the entire board in hopes that a way could be found to issue the license, continued refusal of which would result in the filing of mandamus proceedings, with a possibility that damages would be asked for loss of business suffered by Rosenquists due to refusal of local liquor commissioner to issue license. In the discussion that followed between the village attorney and Mr. Nichols, the latter referred frequently to the unnecessary costs that would result if the village continued to fight the case.

### Chicago Realtor Moves Office To Arlington Heights

Harold Willson real estate office formerly located in Chicago, has been moved to Northwest Highway and Dunton Avenue, Arlington Heights.

This move was prompted, states Mr. Willson, by the fact that the suburban real estate and building situation has improved and in Mr. Willson's opinion will continue to do so.

He also points out that the Northwest section of Cook county has available splendid locations in improved and unimproved property adjacent to unusual transportation facilities.

This prospectus is now available at prices which in his opinion are most attractive.

Mr. Willson has served in a real estate advising capacity to such companies as the American National Life Insurance Co., Illinois Bankers Life Insurance Co., Illinois Life Insurance Co. and other national institutions. His experience is of 15 years duration and covers the mortgage, construction, sale and management of all types of real estate. He has also specialized on appraisal work especially for the benefit of special assessment bond holders. He will do a general real estate business including financing, sale, insurance and special assessments.

### \* CHRISTMAS \* Church Services

#### Christmas At The Lutheran Church

The anniversary of Christ's birth will be observed by St. Peter's Lutheran church with programs and services which will emphasize the Christian meaning of Christmas.

The Christmas festivities will be introduced by a program of the Sunday school on Sunday at 7 p. m. A series of beautiful tinted slides reproducing famous paintings of the nativity will tell the old sweet story of the Saviour's birth. A feature of the program is an elaborate pantomime in costume, "The Night of the First Christmas."

The climax of the Christmas observance will be reached in the program given by the pupils of the religious day school on Christmas Eve. Many of the old Christmas carols of Germany will ring forth in part harmony from many youthful throats. To accommodate the usually large audience two distinct programs will be presented. At 6:30 p. m., pupils of the first to the fourth grade, will appear in an all English program of recitation and song. This will be followed at 8 p. m., with a similar program by grades five to eight. As in former years, two large Christmas trees will ornament the altar. Christmas puppets of the week day and Sunday school will receive a large bag of fruits, nuts, and candies.

On Christmas day two services with special musical attractions will commemorate the great event. Pastor Noack will conduct a German service at 9:30 a. m. This will be followed by an English Christmas worship at 11 a. m., with a sermon by Pastor Frick on "The true identity of the babe in the manger." All choirs will cooperate in the vocal portion of the service. The service will be a delight for the ear and the soul.

A cordial invitation is extended to all members and friends to enjoy the good things for the spirit offered by the Lutheran church.

#### "The Nativity" At Methodist Church

The pageant "The Nativity" so beautifully given last year at the Methodist church, will be repeated this year and it is hoped will be given each year as many of the church are doing. There is no more beautiful program and none more appropriate for the season. It will be given next Sunday evening at 7:30 in the auditorium of the church, under the candle light.

The Bible school is accumulating equipment each year to add to what is already in hand that the play may be elaborated, and carried out as the author, Margaret I. Snyder intends it to be.

The characters will be taken by the same players as last year so far as they are here and are able to take them. Mrs. Ruth Kapphahn will again preside at the organ and Mr. Harvey Kapphahn will act as prolocutor. Miss Florence Patrick will be home from college and take the solo part "No Room in the Inn," and Mrs. Annabel Tesch will take the "Magnificat." Among the attractions this year will be the city of Bethlehem in picture form to

### Elk Grove Boy Gets New Car Because He Remained on Farm

The life of a young man on a truck farm may be rather hard during the summer, but Alfred Juhnke, son of Emil Juhnke, Algonquin road, says that it is all worth while. He is driving a new Chevrolet completely equipped with radio, etc., which represents a Christmas gift from Dad in recognition of his work on the farm. The young man was looking around for a job during the winter, but he will now stay at home in preparation for next season's work—not because he needs another car, but because he has the kind of a Dad that it is a pleasure to work for.

Mr. Emil Juhnke recently underwent an operation at the Palatine Community hospital.

### Woman's Club Has Party for Little Tots

The December 18th program of the Arlington Heights Woman's club took the form of a party for the children of kindergarten age and younger. Mr. Godshaw kindly loaned some films and as much fun as the little people had, their mothers and the grownups enjoyed equally as much watching the enthusiasm of the guests of honor.

#### St. John's Evang. Church Plans Large Xmas Party

The Christmas season will open at St. John's on Thursday night when the League presents a three act Christmas play in the church basement. This program will also be given on Friday. Old time community singing is planned for the intermissions.

On Sunday, Rev. M. L. Straube will preach a pre-Christmas sermon on the text, "I must decrease but He must increase." The Sunday school will present a fine program in the church on Christmas eve at 8 p. m. The Beginners and Primaries will provide much good singing and reciting and the Intermediates will present the Christmas pageant, "I Need Thee Every Hour" edited by Rev. M. L. Straube. There will be seats for all the parents and relatives for the Christmas eve service. On Christmas day we will celebrate Holy Communion at 10:30 a. m. This is in full accord with the very meaning of the word Christmas. The pastor will preach on the subject, "A Savior is Born." On the Sunday after Christmas the sermon will be "Looking back over 1935, a Year of Progress for St. John's."

On Sunday evening, Dec. 29, the choir will present the Christmas cantata, starting at 8 p. m. The public is invited to this special musical program. The cantata being presented is one that will appeal to everybody for it is filled with notes of beauty and inspiration.

The pastor Rev. M. L. Straube and his family extend their heartiest wishes for a most blessed Christmas and a Happy New Year to all the friends of St. John's church in and near Arlington Heights.

#### Presbyterian Church

The Christmas exercises of the Presbyterian Sunday school will be held in the parish house Christmas eve, Dec. 24, at 7 o'clock sharp. A fine program has been arranged and a cordial invitation is extended to the public to attend this program.

#### St. James Church

Special Christmas hymns and sermons will be given at St. James church at the high Masses Christmas day, which will be held at 5 a. m. and 10:15 a. m. Other Masses, 7:30 a. m. and 9 a. m.

### Tonne Road Was Well Named

Tonne Road, which extends from Landmeier road, in Elk Grove township south through Wood Dale, is rightfully named. The first settlers along that highway were Tonnes and the homes of many of their descendants are still along that road.

It was nearly a hundred years ago that the Tonnes came from Germany. Among the pioneers was Fred Tonne, who married Louise Busse. Of the two sons from this union, August has passed on, while Henry, 83 years old, makes his home with his son, Albert. Another son, Richard, occupies the old Tonne homestead, which was built about the time that the first Tonnes arrived in America.

Other Tonne families are Alfred, who also resides on Tonne road, Gust, Herman and George who reside in Minnesota, and are cousins of the above. The other descendants are so many that many of the relatives are not acquainted with each other. The Tonnes were never much on stature as they are all short.

INITIATE HUSBANDS  
Chapter E. R. of P. E. O., held a B. I. L. party Monday evening at the home of Donna Marie Volz. After the initiation of the husbands, the evening was spent in an informal manner with games and refreshments.

### BUSINESS MEN ARE LONG ON PROMISES

#### Many Will Have a Cheer- less New Years, Unless They Pay License.

Faced with a payless payday, the last before Christmas, C. H. Skoog, of the police department started out a week ago to collect delinquent business licenses. About all he received was promises, which do not pay salaries. The officers would have gone without pay check had not a sale of tax warrants been made.

However, the village board made it plain to the police department Monday evening that every business man who does not make good on his promises, must be served with a summons before the first of the year. The police department has said Okeh.

Note—The recalcitrant business man will not have to spend Christmas in jail; the police will wait until New Years eve.

#### National Tea Again "Imports" Outside Manager

Dick Smith, manager of the northside National Tea store for the last six years was discharged Saturday night, reason unknown. This action of the National Tea organization is not surprising to those who are familiar with its policies. The new manager is Miss Lou McCabe, formerly of Algonquin. Mr. Smith Monday morning was behind the counter of the A & P store, next door neighbor to the National. The summary action of the National Tea is not surprising to those who are familiar with its policies, which appear to be contrary to the idea that the proper way for a large corporation to become an integral part of a small community is for its personnel to be composed of people from that community.

#### Arlington Ballroom Offers Gala New Years Eve Celebration

There promises to be a gala New Years celebration at Arlington ballroom. The inimitable dance music of Borchardt's orchestra will be combined with other attractions. The price is only \$1.00 per person. As only a limited number of tickets are to be sold, they should be purchased early.

#### No Christmas Baskets In Arlington This Year

If there are going to be any Christmas baskets distributed in Arlington Heights this year, they will come thru private sources. No organized group is fostering such activity this season. However, the ladies of Lutheran church and a few other organizations are going to spread Christmas cheer in the form of Christmas goodies to some families of their own group.

#### Hurry, Hurry, Folks With Your Christmas Seal Remittances

Everyone who has not replied to the Christmas Seal letters is urged to do so at once. Only about 48 per cent of the letters have been returned. While the results so far are fairly gratifying the returns are now running under those of last year. Last week there was only a few cents difference, but now it is about \$30.00. This difference is due chiefly to the small number of returns rather than to the size of the contributions. Funds received in this sale are instrumental in keeping the health program alive locally. Help to swell the returns of \$210.00 by sending in your contribution immediately.

#### ANOTHER CHIMNEY FIRE

The fire department was called to the Benj. VanGorder place, 102 N. Belmont, on Thursday morning on account of a chimney fire.

### Junior League HOLIDAY DANCE

SATURDAY, DEC. 28th  
MOHAWK COUNTRY CLUB  
Bensenville, Ill.

MUSIC BY EDDIE BADE  
AND HIS REVELERS  
10 P. M. BIDS \$1.00

### WHEELING DRAINAGE CASE ENDS IN APPELLATE VERDICT

#### Actions of Grandt, Welinske and Rockenbach Justified; Report Stands Approved; Court Denies Change of Venue Appeal.

The long drawn out legal battle in which certain parties and landowners in the Wheeling Drainage Dist. No. 1 filed proceedings against Commissioners Grant, Welinske and Rockenbach, ended Monday when the appellate court denied an appeal that had been filed in the name of Wm. Buesing and others. It means a complete vindication for the above three men upon whom had been heaped a lot of unjust abuse and criticism. When this case was started certain publications published exaggerated news stories assuming that the above three commissioners were guilty of the charges. Messrs. Grandt, Welinske and Rockenbach did not attempt to answer them, preferring to wait until a final decision had been given by the court.

The case was heard a number of times, resulting in heavy court costs and attorney fees for the district. During this period, a petition was presented to the court asking that the number of commissioners be reduced to one and William Buesing, in whose name the objections were filed, was appointed as said commissioner. He took over the duties of his office about a year ago.

The real court battle started when the report of the former commissioners was presented to the court for approval. Court hearings lasted several days. After the hearing had started and Judge Isley had given a number of rulings favoring the defendants, the attorney for the objectors sought a change of venue, which was denied by the judge. It was on an appeal from the refusal to grant a change of venue that the case was taken to the appellate court.

The succinct and lucid opinion written by the Presiding Justice McCurely and concurred in by Justices Matchett and O'Connor, denied the appeal from the sweeping decisions theretofore entered by Judge Isley of the County Court of Cook County in favor of Henry Grandt, Sr.; John Welinske and A. O. Rockenbach, former commissioners of Wheeling Drainage District No. 1 which in turn followed Judge Isley's refusal to allow a change of venue.

The position of the Former Commissioners was sustained in every point and by the same token every point made by the appellant relating to the subject appealed was rejected. "A reading of the record, justifies the action of Judge Isley in denying a change of venue," the court said; and again: "It has been repeatedly held that where a court has already commenced a hearing and has by his rulings indicated his views, it is too late for the party against whom such rulings have been made to move for a change of venue. It would be improper for counsel to try out the attitude of a trial judge by questions and discussions and argument, and if the court was not in harmony with counsel's views to then assert that the court was prejudiced and that a change of venue must be allowed. This practice will not be countenanced."

#### Police Disperse Agitators Maywood Relief Station

Sheriff's Highway Police summoned to disperse a group of 150 rioters December 13, 1935, at 1:25 p. m., at the Maywood Relief Station, found upon investigation, that while the relief clients were lined up waiting for their orders, a few agitators created disorder and the riot ensued. Officers from both the Morton Grove and Willow Springs Stations were on hand, and the rioters were soon dispersed after considerable damage had been done to the interior of the relief office.

#### Business Census To Begin in January

A census of the nation's business will be taken, beginning next month, according to an announcement by the Department of Commerce. Secretary Roper this week announced the appointment of 402 field supervisors, selected to direct field forces in the taking of the census.

It is expected that eighty percent of the enumerating will be completed by the end of January and the completed report is expected to be ready by July 1, 1936.

#### P. T. A. Christmas Program

The regular meeting of the P. T. A. of Arlington Heights, was held at the South School Tuesday evening, Dec. 17. A most interesting and instructive program was presented.

A story was told of Christmas in Sweden, Germany, France, England and Yugoslavia. At the close of each story the Girls Glee club of the North school, under the direction of Fern Lorenzen, sang the Christmas song of each of these countries, after which a living picture was presented representing a Christmas scene in each country.

All of the properties used for the scenes were loaned by local people of great interest. Among them were hand-woven wool drapes, a coffee set and table cloth from Sweden. Aprons, a motto and wool embroidery from Germany. A wool rug and peasant costume from Yugoslavia. The scenes were planned and arranged by Mrs. Jarvis and Mrs. Harrah and were very effective.

It was interesting to learn the differences in each country's celebration. Sweden celebrates from Nov. 15 to Jan. 13. Dec. 13 is St. Lucy's day and marks the beginning of the Christmas baking. Their National Christmas dinner dish is dried cod and boiled ham, turkey dinner following the next day.

In Germany and England Christmas is observed much as we observe it, as many of our customs, come directly from them. The singing of carols under windows of friends and neighbors, the serving of plum pudding and fruit cake are distinctly English.

German tradition has both a St. Nicholas and a Santa Claus or Christ-kendchen. The former, the punishing spirit, the latter, the rewarding spirit.

The idea of the Christmas tree is supposed to have originated in Germany.

In France Christmas is more a holy day than a holiday. Gifts are not given, except to the children. However cards and gifts are exchanged on New Year's day.

The story of Christmas in our Slavish countries was told by Doris Traikoff, who was born in Yugoslavia. They make much of the birth of the Christ child and stand in church on Christmas eve from midnight until 5 o'clock in the morning. On Christmas day they celebrate by exchanging gifts and feasting. Doris was dressed in a peasant costume from Yugoslavia and a rug was used as background which was spun and woven by her grandmother from wool from their own sheep.

Mrs. Bowlin told of Christmas customs in Venezuela, Norway and some of the different customs observed in our own country.

It would seem strange to us to have a pile of bread and a roll of

butter weighing 20-30 pounds in the middle of our Christmas dinner table, but that is what they do in Norway. Sausage made from sheep comprise the main dish for Christmas.

In the south part of our own United States, fire crackers are fired on Christmas day and Christmas in the rural eastern states is not celebrated as enthusiastically as Thanksgiving.

The audience joined in the program with the singing of Christmas carols.

The program was well planned and carried out and all taking part deserve much credit.

The business meeting followed, after which the school and room mothers of North school served cookies and coffee. The cookies were representative of the different countries and included many Swedish and German and English recipes.

#### Palatine Public Library Gets Check for \$102.20 from State

The Palatine Public Library will receive a check for \$102.20 from Secretary of State Hughes, it is announced, as its share of the Illinois Library Relief Fund. This fund enables state libraries to buy books for their shelves.

Although the fund, provided by the last regular session of the state legislature, reached the administrative stage only a month ago fifty-four libraries scattered through thirty-six of the counties already have been authorized to draw on \$91,377.12 of the \$600,000.00 appropriation and lists from other libraries are reaching the executive office at Springfield daily.

The fund has been allocated on a per capita basis which was deemed the equitable method of spreading the money for the greatest good. The fund is to extend over the biennium, the first half to be spent by July 1, 1936. Individual lists are submitted to the advisory Board, members of which are affiliated with the Illinois Library Association, and after authorization the books are purchased by the individual libraries and charged to the Library Relief Fund.

The Nile  
Although the Nile is about 4,000 miles in length, it has no tributaries in the last 1,700 miles of its journey to the sea.

## CHURCHES

### METHODIST CHURCH

Bible school Sunday at 10 a. m., followed by the public worship service at 11 a. m. The sermon theme will be "What's Christmas?" In the evening at 7:30 the Bible school will give their program, "The Nativity." This will be one of the most beautiful Christmas services in candle light.  
On Saturday at 3 p. m., the Christmas party will be given the children in the gymnasium. Games will be played, entertainment will be furnished in many lines and a unique gift made to each member of the school.

### PRESBYTERIAN CHURCH NOTES

Sunday school, 9:45 a. m.  
Morning worship, 11 a. m.  
A Christmas sermon will be preached Sunday morning. The choir under the direction of Miss Fern Lorenzen, will sing Christmas anthems.  
The Christmas exercises of the Sunday school will be held in the Parish House on Christmas Eve, Dec. 24, at 7 o'clock sharp. A fine program has been arranged and a cordial invitation is extended to all to attend this program.

### LUTHERAN CHURCH

Northwest Highway at Highland  
C. M. Noack, 115 W. St. James St., tel 108-W.  
H. C. Fricke, 304 Douglas Ave., tel 278-W.  
When ill or in trouble call our pastors. They are at your service.  
Sunday Services

German service, 9:30 a. m.  
Sunday school, 9:30 a. m.  
English, Communion, 11 a. m.  
Christmas Services

Sunday school program, Dec. 22, 7 p. m.  
Holy Eve program, Dec. 24, 6:30 and 8 p. m.  
Christmas Day services, German, 9:30 a. m., English, 11 a. m.

Notes  
The last English communion service of the year will be held Sunday. Registration at the home of Pastor Fricke Friday afternoon and evening.

A program of slides, songs and pantomime will be presented by the Sunday school, Sunday, 7 p. m. No admission fee.  
A double program of songs and recitations will be presented by the pupils of the week-day school on Christmas eve. Grades one to four will appear at 6:30 p. m., in an all English program, followed by a similar program at 8 p. m., by grades five to eight.

Two services are announced for Christmas day. A German worship at 9:30 and an English Christmas service at 11 a. m. Special vocal numbers will be sung by the choir.  
If you have no church home, you are invited to participate in the services of the Lutheran church.

### ST. JOHN'S CHRISTMAS PROGRAMS

Dec. 19 and 20, Christmas play given by the League. Everybody welcome.  
Sunday, Dec. 22, Pre-Christmas service at 10:30 a. m.  
Christmas Eve, Sunday school program at 8 p. m. Seats for everybody.

Christmas day, 10:30 a. m. English Communion service.  
Christmas Sunday service, Dec. 29, 10:30 a. m.  
New Years Day service at 10:30 a. m.

Christmas cantata presented by the choir Sunday, Dec. 29, at 8 p. m. Everybody welcome.  
League Christmas party on second Christmas day at 8 p. m.

### ST. JAMES CATHOLIC CHURCH

Father George Stier, Pastor  
North State Road  
Masses Sundays, 7:30, 9 and 10:15 a. m.  
The Mass at Palatine is at 9 o'clock every Sunday.

### MERLE GUILD POST

No. 208  
AMERICAN LEGION

### COMMANDER AND ADJUTANT RETURN FROM LEGION SCHOOL AT BLOOMINGTON

It was cold the night of December 10, 1935; however that did not detain a number of us from going to our last meeting and listening to our Commander Les Griffith and Adjutant George Jorgensen give their report on recent trip to Commander's and Adjutant's school at Bloomington. George gave his report first—it was brief but it covered all the salient points and then Les dragged out his note book ???

Yes, Les took a note book with him and it was filled with notes—but did he read all his notes—nay, nay my boy—he fooled us—his report was short, snappy, interesting and instructive.

Many important things happened at this meeting—the first in importance was the appointment of committee chairmen for the year 1936—here are the comrades who will assist the officers during the following year:  
Americanization—Harvey Daggett.

Employment—Vic Peechia.  
Service—Phil Engelking.  
Boy Scouts—Warren Parker.  
Ways and Means—Jack May.

Returning signs of prosperity—the new Ford Tudor sedan our old pal and friend is driving around these days—none other than George E. "Rubinoff" Palmer. Congratulations, George.

Vic Peechia, Johnny Schwolow and yours truly attended a smoker held by Palatine Post on Monday, December 9. We enjoyed ourselves and hope that maybe we, too will run a few smokers this year.

Mrs. Forsen and Mrs. Nichols—president and secretary respectively, of our auxiliary, dropped in for a little chat about the dinner both organizations are to give in the near future. This is December and New Year's Eve come in this month, therefore we will not have the dinner in 1935, but we assure you it will be one of the first things accomplished in 1936. Les was instructed to attend the next auxiliary meeting and discuss with them plans for the dinner.

Oh, a lot of things were discussed at this meeting and here is a secret—George Jorgensen took notes of all what happened—take a tip and come out to the next meeting you will be agreeably surprised to hear what transpired on the night of December 10, 1935.

### Strassburg Pie

Strassburg pie is another name for pate de fete gras. It is a delicately seasoned potted meat, made of the abnormally large and fat livers of artificially fattened geese or ducks. Strassburg and Toulouse are the chief cities of manufacture of the product.

### Palatine Boy Is Contender For 1936 Olympic

Willie Dreyer, Palatine long distance runner, who is a contender for the 1936 Olympic team, has started training this week for the marathon, a twenty-six mile, 385 yard run. He will compete in several pre-Olympic marathons the first of which will be held in Chicago in March.

During the past year and a half he has competed in fifteen races, finishing first in nine and second in three.  
Dreyer who is a graduate of the Palatine high school, and who is non-competing for the Lincoln Park club of Chicago, has won three A. U. championships, including one national title.

His latest victory was the Ozark 10,000 meter champion at St. Louis.

Wednesday evening services are held at 8:00 o'clock and include testimonials.

The Reading Room is located in the church building and is open to the public every Wednesday afternoon from 2 to 4 p. m., except Sundays and holidays.

The public is cordially invited to attend our church services and use our reading room.

### CHRISTIAN SCIENCE CHURCHES

"God the Preserver of Man" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, December 15.

The Golden Text was, "The Lord shall preserve thy going out and thy coming in from this time forth, and even for evermore" (Psalms 121:8).  
Among the citations which comprised the Lesson-Sermon was the following from the Bible: "For he that loveth life, and see good days, let him refrain his tongue from evil, and his lips that they speak no guile: For the eyes of the Lord are over the righteous, and his ears are open unto their prayers: but them that do evil, And who is he that will harm you, if ye be followers of that which is good?" (1 Peter 3:10, 12, 13).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "To understand God strengthens hope, enthrones faith in Truth, and verifies Jesus' word: 'Lo, I am with you always, even unto the end of the world.' Resisting evil, you overcome it and prove its nothingness" (p. 446).

### Arlington Heights Cuts Penalty On Delinquent Specials

The village of Arlington Heights at a special meeting of the board last week, took advantage of a provision of a new state law that permits any municipality to cut the penalty on delinquent special assessments to 7% for the first year. A resolution was passed which authorized the village treasurer to accept payment of both withdrawn and forfeited specials, and to allow the penalty reduction.

However, the tax payer must first secure a bill from the county treasurer's office, bring it to the village treasurer's office which will allow the reduction and receipt said bill. To clear the records in Chicago, the property owner must file his receipt at the county treasurer's office.

Representatives of the county recorder's office have spent two weeks in Palatine, Arlington Heights and other northwest towns checking up special assessments. Since many of the villages have withheld reports on delinquent specials, the records in the recorder's office do not show the true condition of such property. The work of the above men will enable the county office to bring down its records to date.

Birds' Spectacles  
Many birds are provided with natural spectacles, in a transparent membrane called the third eyelid.

### CHEVROLET OWNERS!

**SUPER CHEVROLET SERVICE**

**FREE!**

**MONTHLY INSPECTION**  
**WILL SAVE YOU MONEY IN REPAIRS**

IT WILL pay Chevrolet owners to drive into our Service Department regularly! A monthly inspection is FREE! Probably your car will not require a tap of work. But if it does, a small service job performed now may save you worry and expense later. Let our Chevrolet-trained mechanics check your car regularly. That's good sense and good insurance.

### Appellate Court Vindicates Three Former Coms.

(Continued from Page 1)

Commenting upon the appellate court decision and that of Judge Isley in the County Court approving the accounting and reports of former commissioners Grandt, Welinske and Rockenbach, one of our old readers said today: "It is about time that the vicious tactics used in certain quarters in an attempt to destroy the esteem with which the community holds these former commissioners be exposed to full view for the benefit of the landowners with whom Grandt, Welinske and Rockenbach have labored and lived for a generation. They were spared in no quarter as reference to scurrilous local news print implications of a year ago will show, all printed while the county court hearing were in progress and before Aug. 6 decisions of that court had been made," continuing, this reader said: "Letters of July 20, 1935 and December 9, 1935 were sent far and wide to landowners denouncing them by threat of 'sale' or 'receivership' of their lands for certain assessments in which let- ters the former administration of Wheeling Drainage District No. 1 was charged in so many words with 'illegal' dealing and the spending 'illegally' of the District's funds."

## Observer's Notes

Glad we hail the beautiful snow, Spreading over the earth below; Like charities mantle folding in, And healing the ugly scars of sin; Sisters and brothers cease to mar, This God given world with threats of war.

May you all be made to feel The touch of charities sweet appeal Look on earth now pure and white, And let charity ever rule for right; Charity bringing from war release, And leading us on in fields of peace.

"Attitudes," sneeringly remarks some of the more cynical, are sure, in the love is written of and sung in often repeated language; so are the beautiful inspiring words of prophets and apostles. So are the words of great men and women of all time.

Everything worth while is oft repeated and yet ever new. Let me just say this thought of charities mantle covering and healing is not an old interpretation nor a platitude, study its real meaning and—well, if you don't understand, at least be silent.

Writer, preacher or teacher are so often accused of hitting at some particular person. That is all folly, our faults and our virtues are all so general, application—if a fault is attributed to one—it often applies in a measure to all not the person, but the fault.

Why is it when our preachers preach, Some within their voices reach, Feels sure that he was hit, When the preacher only thought of the lesson great he taught; And the need of it.

Why when one who writes would be Helpful to humanity; By someone he is blamed, Who when reading only see Every word and line to be At their foibles aimed.

Why not be glad if preacher or teacher is definite enough in expressing ideas to hit at wrong, even if it is your pet wrong doing, be comforted to believe others share your rebuke.

Arlington has experienced some rather distinguished hits with the rest of the town. The fine little Jacqueline Toussaint gave when she sang before Quinn Ryans amateurs, "Why Don't You Practice What You Preach" and won high honor for herself and in that for our town. As did that one on the street interview on "Town Talk" when asked "Who was Carrie Nation" simply confessed she didn't know.

So much for fame, "Poor forgotten warrior, Carrie Nation."

Why, O why, in these days of the flowing bowl ask any one from Arlington Heights about Carrie Nation? Yet we did find a wonderful cause for Thanksgiving on our Nations roast turkey and pumpkin pie day, a fine clean restaurant without out the unpleasant sight of bottles or their contents.

The turkey dinner from soup to pie, of the very best, clean linen nappery, a suave courteous manager, with the best service to be found in any city. No scent of that fluid men pour into their throats to steal their brains away. If you want perfect satisfaction in food and service, find this restaurant.

So our good friend, Mr. W. B. Beardsley is giving his recipe for a "Pecan Pie." Am sure if he has succeeded in making a pie as appetizing and excellent as the delightful menu Mrs. Beardsley spread for us on the dining table of their hospitable home New Years day long ago, his pie must indeed be worth trying and deserves the blue ribbon or a gold medal.

Moreover if that Pecan pie is as par-excellent as that beautiful and satisfying as the wonderful slogan he gave us for Arlington Heights, "The City of Good Neighbors." We do congratulate him and wish success to his southern nut orchard, his family and all they undertake, yet we miss them and wish they might return to "The City of Good Neighbors."

How many realize the humane and much needed work that is being carried on by The Red Cross workers? The sales of Christmas Seals will be closed at Christmas. There has been a successful sale of these Red Cross emblems and we trust a large sum has been realized.

Heralds of hope, each Red Cross seal, Wings, while the Christmas joy-bells peal; Telling of love and the brotherhood That ever seeketh another's good.

Telling of purpose that would provide, Housing and shelter, our whole state wide; That white plague victims may find release, From the awful menace of dire disease.

This the message each Red Cross seal, Wings while the Christmas joy-bells peal; Small and silent, they wing afar,

Wherever weary sufferers are.

Telling how men have understood The Christmas message means human good; Sweet Evangeles, greater than creed, They who minister where there is need.

And the helping hand that would restore,

To hope and courage and life once more;

Gathering strength from each tiny cross,

To reach where fever victims toss.

Each Red Cross wafting a healing breath,

Of Gods pure air that must baffle death;

Heralds of hope each Red Cross seal,

Rings while Christmas joybells peal.

In our zeal to praise and almost gloat over the pleasant things, and especially the success of the children of our town, we were so glad to mention the deserved notice little Jacqueline received for her singing.

If anyone was grieved about it remember we have done as much for your children when we knew they deserved it.

We have several good friends who tell us of fine things other people's children (not their own) have accomplished. We are grateful indeed for such helpers. In this city of Good Neighbors, the success and good that comes to one, is the joy of all. Listen this is an appreciation to our helpers and a S. O. S. for more of the same.

No more politics, personals or "tics" of any description. Let us talk about the weather, the beautiful snow and the beautiful fairyland it made of the trees, shrubs, and ugly places. Yet no fierce storm or danger except that spread by the hand of man. Do any of you listen in to hear "Religion in the News" by Walter Vankirk over WMAQ every Saturday at 5:45 p. m.? It is worth hearing.

Yes, something well worth hearing under the caption of news, when "News" is called mostly about an ounce, one of the "Quints" has gained over night, or the fifth or sixth marriage some "movie hero or heroine" has gone into, or the latest tip of m-ladies hat. It may even be the tax the people of Great Britain paid to furnish the seventy-five thousand pounds for the Prince of Wales to build an orphanage. O, yes, news is "News."

Preston Bradley announced that he will speak Sunday night on

"Roosevelt, Ruin, or Roosevelt and Ruin." Dear me! What does he mean? Have been searching for some hours to find a bit of humor with which to season these notes. Wonder if the subject Bradley announces for his talk tonight is to be the needed flash of humor. Will listen in to find out.

In these dull days when a sense of humor seems lulled to sleep and public speakers are running round and round in circles to find the real gem of wit and humor, a politician in speaking to inform the public to be how much more fit he was to be president than his opponent tried to relate a humorous anecdote and choked on it as if he swallowed a fish bone.

Reading of our friend, George Schenburger's experience in getting into the obituary column during his recent illness, we were reminded of Mark Twain's remark on a like report about him. He said, "The reports of my death were greatly exaggerated." We remember "Way back when" George had no need to get sick or die to make shouting headlines for the Chicago newspapers, and didn't all Arlington Heights "eat up" those records of our champion baseball player?

The slogan "Wake Up America" carries to us a strong appeal, though we may not always accept those who are making use of it, whose "Doxie" and purposes do not coincide with the one we so much desire to see come true, that is the driving from our beloved land, the destroyer, alcoholic drink. That which is dealt out today in the white house for the first time in our history to this, let us repeat "Wine is a mocker, strong drink is raging and whosoever is deceived thereby is not wise." Wake up America, to drive out this evil, wake up our own proud state, wake up Arlington in the name of God and humanity—"Wake up America."

Wake up America! Ring! Ring! Louder the slogan awakening! Waken from stupor that holds in sleep, Our leaders for greed and gain to keep.

Let old Europe know we'll not forget, Her threats of war and unpaid debt; Show all nations for neutrality, We stand to keep our homeland free.

Wake up America! God help us to be The land of peace, the land of the free;

Let tyrants stage the horrors of war, 'Tis homeland peace we are praying for.

Wake up! Our own proud Prairie state! Stains on our banner show of late; When our good governor bravely fought, To save our schools from shameful blot.

Paying our teachers from gains that pour From the vile poison that floods us o'er; Poison that dulls in sleep the brain, To stay on highway and street for gain.

Wake up! Our own dear Prairie state, Lest the earnest warning come too late; While the base destroyer works his will, On street and highway to crush and kill.

Wake up Arlington! While you sleep, Into our town the monsters creep; Pouring and spreading poison around, 'Till scarce a place of safety is found.

Poison that ever since time began, Destroys the soul and conscience of man; Wake up Arlington, daughter and son, Appeal for safety in Arlington.

Wake up Arlington! Loud the cry, Comes from crushed victims who suffer and die, Wake up! Drive from Tavern and store, Floods of destruction that over us pour.

Children of God, wherever you be, Wake to the cries of humanity; Reach to the needy, the tempted a hand, And pray our all Father to save our homeland.

Elinore Crisler Haynes.

### Auto Licenses For 1936

The law says that motorists must have their 1936 State license plates on Jan. 1. Motorists are threatened with arrest after that date.

Place your application now in order to avoid penalties.

All applications will be given prompt attention.

### Scharringhausen - Kouzmanoff Nuptials

Sunday night, Dec. 8, just as the town hall clock chimed nine o'clock, Miss Alvina Scharringhausen, daughter of Herman Scharringhausen of Arlington Heights, and Thomas Kouzmanoff, one of Bensenville's popular young men, son

of Mr. and Mrs. Melan Kouzmanoff, were quietly though romantically married by Judge Klein in Winnetka Town Hall. They were attended by the groom's godfather and godmother, Mr. and Mrs. Angel Zlateff of Evanston. Following the marriage ceremony the bridal party returned to Evanston where a wonderful dinner had been prepared for the newlyweds by their godmother. After the dinner the happy par-

ty proceeded to Bensenville to surprise the folks of the groom with the good news and from there to Arlington Heights to the home of the bride. Having made the rounds the couple was then escorted to their new but cozy apartment in the Krause apartments at 9 E. Campbell avenue in Arlington Heights. Their many friends wish them lots of luck and a very happy married life.

## Horses Swim for Living

The only horses that swim all day for a living are those which pull the ferry boats across the Oxis river in Central Asia. Each boat has two of them fastened out in front of it on a supporting device with a bellyband and, from dawn to dusk, they draw these heavily loaded ferries across this river—half a mile wide—guided by the reins of their driver.—By Bill Philfer, Little Rock, Ark., in Collier's Weekly.

## PALATINE TUMBLES TO ARLINGTON

Arlington defeated Palatine 32-26 in the most exciting game of the N. W. Luth. League season. Trailing 12-6 at half time, Arlington staged a brilliant rally to score 26 points in the second half to hand Palatine their first defeat.

The sensational floorwork and uncanny basket eye of Beyer was outstanding. The ability to sink free throws was the turning point of the game, Arlington scoring 10 points in this manner.

After seeing shot after shot bounce off the hoop in their past games, their day had finally come, the flurry of baskets in the half attesting it. Playing a steady game as the tension increased, they had Palatine on the run. Three of their men being eliminated via the foul route.

Free throws by Weinrich put Arlington ahead 28-26 in the last three minutes of play; Beyer and Colba sinking the winning baskets. Colba rang up 4 baskets and three free throws to lead the Arlington scorers with 11 points; O. Helms lead Palatine with 6 baskets, 5 of which were made in the second half.

Sunday's game again proved that while they present a stalwart defense the entire offense is built around Beyer, whose floor play was something to look at.

Only personal fouls have been called on Arlington in their four league games, attesting to their clean play. The victory carried them to 4th place in the standings. The defeat dropped Palatine to a tie for second place with River Grove; Itasca holding down first place.

In other league games, Des Plaines ran rough shod over a hapless Glenview quintet, handing them their third straight defeat 43-14, while garnering their first victory; Itasca rolled up a 38-20 count on Park Ridge thereby gaining first place.

Next Sunday's games: Glenview vs. Palatine at 2 p. m. Arlington vs. Des Plaines at 3 p. m. Park Ridge vs. River Grove at 4 p. m. Arlington g ft f Colba, f 4 3 2 Weinrich, f 1 2 2 Kahling, fg 1 2 0 Beyer, f 4 2 2 Laseke, c 1 1 3 Meier, g 0 0 0 Schroeder, g 0 0 0 11 10 9

## TWO OVERTIMES FOR ARLINGTON ELA LIGHTS

The Arlington lightweights ran into unexpected power at Ela on Friday night. A driving, flashy attack, led by Pathe and Bleau, swept the home team into a commanding lead in the first quarter. Thereafter Arlington staided defensively and drove doggedly on offense to overtake their opponents. They held even through the second quarter, gained two points in the third and rallied brilliantly in the final period. A free-throw by Schneberger within two seconds of the finish tied the score at nineteen all. Two overtime periods were necessary before Arlington triumphed, 23-21.

Grismar, who fouled out for the second time this year, did the tip-him and continued the good work. Allen took care of Pathe, Ela's center and high scorer in preceding games, and outscored him with five points to four. O'Hagan, a freshman, played fine defensive ball in the second quarter when the team first began to rally against the Ela attack. Foley, Hanauer, and Mills carried full shares of the load in the final drive to victory. Mills hit on a rebound shot in the second overtime, scoring the winning points.

The lightweights won their second overtime game in as many nights when, on Saturday, they beat Crystal Lake 26-24. They worked smoothly to a 9-4 lead at the first quarter. Substitutes were unable either to protect or advantage or to score, and the visitors led at half time, 12-9. The regular line-up took the floor in the third quarter and pulled up even with Crystal Lake. In the final period Arlington moved into a comfortable four-point lead with two minutes left, but two baskets from medium distance for the visitors sent the game into an overtime. Allen's one-hand shot from near the end line provided the winning margin.

Allen's scoring with nine points was a big feature of the game. Mills, Hanauer, and Schneberger contributed most of the remaining points. Good passing and fine team spirit were important factors in the victory.

## Six Straight For Arlington But All Losses

Arlington Cardinals ran their string up to six straight last Saturday evening—six straight losses. Undoubtedly the longest string of defeats an Arlington team has suffered in many, many years.

Led by Young, their star goal tosser, Crystal Lake romped at will over Arlington's young hopefuls in a non-conference tilt at Arlington Saturday night. Young was chuck-

## Aces Open Cage Season With Win and Loss

The Aces split a double header with the Barrington All-Stars in the Aces first encounter of the season. The White Aces lost the first game by the narrow margin of three points after having led until the final two minutes of play. The final score being 22 to 19.

The White Aces started with a beautiful scoring attack led by Schaffer and Marvin Schulenberg. This attack kept the Aces in front until the Barrington team came back with a barrage of baskets, made principally through the ability of Etters and Mollenkamp. Much credit is due Frank Brodman, who kept the Barrington boys worried with his skill of handling the ball.

The Blue Aces had a more fortunate evening. They trimmed the second Barrington team, led by Hietman, by a score of 25 to 20. Hietman, former Iowa State Star, led his team with four field goals. The Blue Aces kept the game well in hand until the last three minutes of play. Up to this time the game was a good example of how basketball should be played. Fine specimens of offensive and defensive work were displayed by both teams. However, due to the tenseness of the game, the last three minutes resembled a "pro" football game. The principal contestants were "Lew" Brodman, "Red" Koelling, and "Dude" Kopplin of Arlington. Barrington, in turn, found two good tackles in Gieseke and Tate.

The Aces will be playing another home game soon—"Watch the Herald."

## PIRATES LOSE TWO

Palatine lost a pair of double-headers this past week-end in basketball Friday the Pirates traveled to Lake Forest where they absorbed a couple of beatings by scores of 18-13 and 37-14. Saturday night the powerful Crane Tech teams swamped Palatine 30-10 and 52-16.

In all these games the Pirates made a poor percentage of shots, but did show some improvement over their work in past weeks. The Pirate heavyweight record of but two field goals out of 52 shots in the Lake Forest game, is about a conference record for inaccurate shooting. At that 27 of the shots were attempted inside the free throw line, but would not go through the hoop.

Repulsed by Lake Forest Palatine lights put up a fine battle in losing to Lake Forest 18-13. The north shore boys sank three long shots in the opening minutes of play to gain the lead which the little Pirates failed to overcome. Palatine's ball handling and floor play was superior, but the Lake Forest zone defense was a tough proposition to penetrate. Lake Forest held a lead of 9-4 the first period and 13-8 at the half. Neither team scored in the third period and both counted five points in the final quarter.

O'Brien, A. Friese, Hermann, Golden, Schinkosky and St. Clair saw action for Palatine. Golden was the standout and scored seven points. O'Brien scored four and Hermann played a good game as floor guard. Haemker, high scorer of the team, was out due to illness. Palatine heavyweights went down to defeat before the fast break of the Lake Forest team which was featured by long passes. Lake Forest speed on the big floor was too much for the crippled Pirates who played without two of their tall men.

Lake Forest was ahead 18-7 at the half and duplicated the count during the second half. Mess, Stuit, Kruse, Kraft, Bretsnyder, Plate, North and Wiedrtd played for Palatine. Stuit and Kruse made the two field goals the team scored in

## ARLINGTON MEETS HOT COMPETITION

Once more Arlington's cagers ran into "hot" opposition. It seems that every time Arlington plays a team this year that team has been at the top of its game. Assuredly Ela was at, or over, its peak last Friday night. Seemingly all that was necessary, was for an Ela player to toss the ball toward the basket and it would go through.

On the other hand Arlington was bothered by the same disease that hampered them all of last season. They get plenty of shots but none connect. When, and if, they ever learn to connect as does their opposition, their string of defeats will certainly turn into victory.

Gleason, Miller and Grever all were kicking in baskets regularly last week, but their ace was Leuthesser. While he was not scoring so much from the field, he was a tremendous worker and Arlington was continually fouling him and his total of 13 points was gained largely by free throws.

The entire Arlington squad was ineffective. No one of them seemed to get anywhere.

What is the news? Told in one word  
All over town this week is heard: "Christmas" in one more week will come.  
To bring good news into each home in homes where friends must suffer still.  
God sends His message "Peace, Good Will."  
The toys, the trinkets everywhere, Send waves of joy over the air. Toilers on street, office or mart, May the best Christmas thrill each heart.  
New life dispels depressions vapor, Read all about it in this paper.

A new moon arrives Christmas in time to shed its brilliance to greet the new year.

Mr. and Mrs. John Oltrogge, who live on Algonquin road, are parents of a daughter who came in time to be their Christmas present.

We are glad to hear that Mrs. Fricke, who was ill for the past two weeks, is hopefully recovering. The daughter, Lois, is now also recovering. We hope Christmas will bring returning health to all of Rev. Fricke's family, and all the joy of the blessed Peace, Good Will message.

Mrs. Cook and her daughter from Winnetka, are guests of Mrs. F. A. Whiting first of the week.

Mr. and Mrs. Clarence Winkelman have moved from Park Ridge to live again in Arlington Heights, and are now in the home of his parents, Mr. and Mrs. Herman Winkelman. Clarence is in charge of the oil station at Mt. Prospect.

Mrs. E. C. Nelson received word this week of the death of her brother, Marvin Roloff, at his home in Barrington, this week. Funeral this Thursday.

Dr. and Mrs. E. A. Elfeld are planning for a family gathering in their home Christmas day.

Evelyn Jarvis was detained from school this week because of illness, but is recovering in her home and will soon be in her place in class.

The old home florists, Flynn-Gabel, are out with a message of Christmas, "Say it with Flowers" timely suggestions.

Mr. and Mrs. B. A. Noyes look forward to having their daughters at home for the holiday vacation.

St. John's young people are to give the play they have been working so hard to make a success, in their rooms Thursday and Friday nights this week, Dec. 19 and 20. Don't miss this play.

Mr. and Mrs. George Peterson, Jr., are to entertain a family party in their home on North Highland, Christmas day. The parents, Mr. and Mrs. George Peterson, their daughters, the Knockmuses from Peoria and Mr. and Mrs. Reeter from Des Plaines.

The Eastern Star gave a family Christmas party Thursday night this week in Presbyterian hall.

### Proctor-Sieloff Wedding Occured Sunday

At the musical notes of the clock chiming for 3:45 on the afternoon of Sunday, Dec. 15, a school day romance blossomed into reality as Miss Florence Enid Proctor and Mr. Samuel Chester Sieloff were united in marriage by Rev. Kosack of the Presbyterian church.

The wedding ceremony took place at the home of the bride's parents, Mr. and Mrs. F. O. Proctor, 816 No. Duntun avenue. Miss Flora Belle Payne of Chicago and Mr. Sydney Allen of Arlington Heights, assisted.

Following the service, a wedding supper was served to the bridal party and guests in the reception room of the home, where pretty decorations, good fellowship, good cheer and good food added a fitting climax to the day.

Mr. and Mrs. Sieloff will be located in Oak Park but the place, date, etc., are at present unknown. The bride and groom having departed with their "lars et pen-t." without leaving a forwarding address.

### South Side Breezes

The Merry Wives met Thursday at the home of Mrs. Frieda Voelker, So. State Road for a luncheon which took the form of a Christmas party and gift exchange.

Mr. and Mrs. John Sujack attended a pre-Christmas party Saturday evening in Rogers Park at the home of Mr. and Mrs. Gregorson.

The Neighborhood Bridge club met Monday at the home of Mrs. Louis Pederson, So. State road.

A group of young people were guests of Bob Peterson in Scarsdale Friday evening to celebrate his birthday. The recreation room which is decorated to resemble a ship, was the "deck" upon which the young people danced and played ping pong. What a fitting place to start another year on life's voyage.

Mrs. Marvin Prellburg and child.

Mr. and Mrs. Clarence Winkelman celebrated the tenth birthday of their son, Donald, the 11th of December with a suitable joy punctuation mark in their home. Donald's grandmother, Mrs. Knox, came from the city to add to the ten year old Donald's happiness.

Mrs. Herbert Hammerl entertained a neighborhood group of ladies Tuesday afternoon this week in her home on North Haddow avenue.

The family of W. Walter, of Chicago is now residing in Scarsdale, occupying the place vacated by the Rathys.

The Eugene Heller family leave Friday for Oklahoma where they expect to spend two weeks with relatives.

The M. W. Grigsbys of Scarsdale are visiting relatives in California. Mr. and Mrs. S. J. Csanadi are parents of a baby girl, born Dec. 13, at the Palatine hospital.

Mr. and Mrs. Lester Reilly of Gilman, Ill., wrote to her parents, Mr. and Mrs. Harley Bird, of the arrival of a little son, in their home in time for Christmas. Mrs. Reilly was formerly Miss Bird.

Mr. and Mrs. Aubrey Neville have recently moved to Forest Park. Mr. Neville is a driver for the Bowman company and has been transferred to the Forest Park district.

Mr. and Mrs. Moritz are planning to move from 9 East Campbell street, to the house recently vacated by the Klopsters, on North Highland.

Miss Marcia Ruth Martens will come home from State University to spend the holiday vacation.

Dr. and Mrs. C. D. Warth were guests of Mr. and Mrs. H. C. Cleveland, en route to their new home in Milwaukee, after their wedding tour south. Mrs. Warth is a niece of Mr. Cleveland and was formerly Edith Cleveland.

Mr. Albert Goedke was reported to be ill the first of this week. So many are suffering from severe colds this "open" winter weather.

John Finbach is all enthused over the Christmas spirit and secured a tree for the municipal building, but he is unable to get the boys around the place to agree as to where it should be placed. The reporter agrees with John that the tower would be the ideal place, but as Wm. Luehring is custodian of the building, his consent must first be secured.

Miss Eleanor Redeker will entertain the Ceosa club in her home on West Campbell street next Monday evening for their Christmas party.

### YOU be the JUDGE!

IF A MAN BENEFITS THE LAND OF HIS NEIGHBOR BY GRADING IT BY MISTAKE, CAN THE NEIGHBOR RECOVER DAMAGES FOR TRESPASS? (See answer below).

ARE YOU CHEERFUL? Probably not if troubled with faulty circulation, stiff joints, rheumatism or foot disorders such as corns, callouses, fallen arches or skin diseases. It pays to give these disorders immediate attention... and it improves the disposition also.

NO CHARGE FOR EXAMINATIONS.

ANS.—YES, NOMINAL DAMAGES; THE LAW PRESUMES DAMAGES FROM TRESPASS.

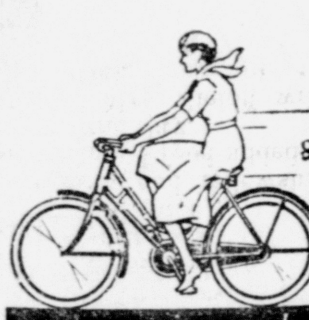

OFFICE HOURS:  
Mon., Tues., Thurs., 7:30 to 10 p. m.  
Open All Day Friday  
9 a. m. to 10 p. m.
